

# San Diego Electroglide

18 October 2008

It is great to see 11 Club members out flying in the Electroglide! My e-mail list shows that over 50 Club members have flown in at least one Electroglide in the last 8 years.

If you are among those who have not joined us recently, how about coming back? As you can see from the monthly results, you don't really need a lot of money to get a competitive glider -- the Ascents and Lil Birds are always up near the top of the list. So put together an electroglider and rejoin us in November and for future months!

If you are not sure of the rules, give me a call at (619) 469-5566 or e-mail at [<donk126@sbcglobal.net>](mailto:donk126@sbcglobal.net)

The next Electroglide will sneak up on us since the first day of November is a Saturday! That makes the next Electroglide on the 15th of November. First toss at 9:30.
